resides in the county, has every qual-
ification for the place and should re-
ceive a splendid vote on the peninsula
which has been his home for years.
Voters are asked to come out and
vote for him next Tuesday. It is
pretty generally conceded that he will
receive the nomination and will be
elected at the November election.
However, voters should not neglect
their duty and stay away from the
polls on Tuesday. Come and vote
for Mr. Shortridge. He will honor
the county by his presence in the
U. S. Senate.
Samuel M. Shortridge, Republican
candidate for United States Senator,
who started his career in the ranks
of labor, is receiving the endorse-
ment of the great leaders of labor
and the support of workingmen and
women throughout the state.
Shortridge knows and understands

the nomination and his friends pre-
dict that he will, he certainly will
be elected at the November election.

One of Samuel M. Shortridge's op-
ponents will spend more for the Re-
publican nomination for Senator than
was spent to carry the state in the
late presidential primary election.
The expenditure of Senator Newberry
of Michigan, for which he was con-
victed, was a mere bagatelle to what
has partly been spent and will be
spent in the attempt to nominate one
of California's millionaires.

When the train came in back in 1910

TEN years ago you might have seen one or two automobiles waiting outside the station, when the weather was pleasant.

Today the square is crowded with them. And most of the cars you generally see there are moderate-price cars.

Anybody who tells you that owners of moderate-price cars are not interested in the quality of their tires has never met very many of them.

We come in contact with the small car owner every day and we have found that he is just as much interested as the big car owner.

There is one tire, at least, that makes no distinction between small cars and large cars so far as quality is concerned—the U. S. Tire.

Every U. S. Tire is just like every other in quality—the best its builders know how to build.

Whatever the size of your car, the service you get out of U. S. Tires is the same. It isn't the car, but the man who owns the car, that sets the standard to which U. S. tires are made.

We feel the same way about it. That's why we represent U. S. Tires in this community.

FRED SCHAUER FOR CONGRESS

Fred H. Schauer, of Santa Barbara is receiving the united support of the Republicans of his own county for the Republican nomination for Congressman from the Eighth District, because they believe that he has the ability, training and experience necessary to fill the position with credit to his district and the nation, and because they believe that he can win the election in November over his democratic opponent.

In politics Mr. Schauer has always been a Republican of the forward-looking type and has always supported progressive and humanitarian measures.

He believes that the agricultural and horticultural interests of this district require a protective tariff, and he stands emphatically for that fundamental Republican doctrine. He believes in a rigid Japanese Exclusion Act.

In legislation affecting labor and capital, Mr. Schauer believes the first consideration should always be the public welfare; that labor should always have the right to a living wage, under conditions that will sweeten and prolong life rather than embitter and shorten it, and by "living wage" he means such an income as will enable the worker not only to support himself and his family comfortably but that will also allow a portion to be saved for the frailties of old age. He believes that capital should have a fair interest on its legitimate investments.

Mr. Schauer believes and maintains that our government should be run on a budget system, and that the first step to be taken in reducing the high cost of living is to reduce the high cost of government by the elimination of unnecessary expenditures.

He maintains that the veterans of the World War should receive the utmost consideration at the hands of the government, and that in legislation affecting their interests, their wishes, as represented through their organization, the American Legion, should be a controlling influence.

Mr. Schauer's committee invites all men and women who desire the election of a man in Congress who represents these principles to join the constantly increasing number of the supporters of Mr. Schauer.

ESTATE OF CLEMENT TOBIN TRANSFERRED TO THIS COUNTY

The will and petition for letters testamentary in the estate of Clement Tobin, who died in San Francisco on April 3, 1920, that were filed in Judge Flood's court in San Francisco some time ago were transferred to the Superior court of this county Thursday for probate. Mrs. Charlotte M. Tobin is the petitioner for letters and she is sole legatee under the terms of the will executed on December 15, 1914. The estate is composed of personal property entirely and is in excess of \$10,000. The deceased is survived by the petitioner, wife, and Aileen Tobin, daughter. Tobin and Tobin are the attorneys for petitioner.

D. R. SIMMONS ASKS COURT FOR PROBATION

D. R. Simmons, charged with the crime of rape and who pleaded guilty to the charge last week, asked for probation, was up for sentence on Wednesday. His application for probation was referred to the probation officer who is to report on the case on September 10.

APPLIES FOR LETTERS

W. A. Brooke has applied in the superior court for letters of administration upon the estate of Theresa M. Randall who died in Detroit, Michigan, on February first, 1920. The estate in this county consists of six lots in Granada valued at \$500. The only heir at law is the surviving husband, J. W. Randall, residing in Detroit.

LEONARD SANCHEZ ASKS FOR \$20,000 DAMAGES

Leonard Sanchez, through his attorney A. Mansfield, has brought an action in the superior court against John Doe Praeder to recover damages in the sum of \$20,000. The complaint alleges that on August 24, 1919 defendant collided with his automobile with Sanchez at Atherton, severely injuring him. He was in the Red Cross hospital at San Mateo and the Redwood City hospital for a period of eight months and spent the sum of \$1250 in hospital dues and medical treatment. During his illness defendant failed to call on him and assist him in any way.

SAMUEL M. SHORTRIDGE
Candidate for United States Senator

VOTERS ARE URGED TO
VOTE NEXT TUESDAY

The voters of San Mateo county
are urged to come to the polls next
Tuesday and cast a ballot for Samuel
M. Shortridge, the Republican candi-
date for United States Senator. He
resides in the county, has every qual-
ification for the place and should re-
ceive a splendid vote on the peninsula
which has been his home for years.
Voters are asked to come out and
vote for him next Tuesday. It is
pretty generally conceded that he will
receive the nomination and will be
elected at the November election.
However, voters should not neglect
their duty and stay away from the
polls on Tuesday. Come and vote
for Mr. Shortridge. He will honor
the county by his presence in the
U. S. Senate.

Samuel M. Shortridge, Republican
candidate for United States Senator,
who started his career in the ranks
of labor, is receiving the endorse-
ment of the great leaders of labor
and the support of workmen and
women throughout the state.
Shortridge knows and understands

labor from experience as a work-
man and will fight the battle of la-
bor in the United States Senate with
the same sincerity that has marked
his consistent upholding of labor's
principles throughout his career. In
a recent address, Shortridge said:
"If I am not much of a lawyer, or
much of anything, I do claim to be a
first-class blacksmith and one who
knows and understands labor, the
great principles of labor and the life
of a workman."

"Selling papers, sweeping out
school houses, lighting street lamps,
blacksmithing, mining and teaching
school—all claimed my attention be-
fore I launched into the legal profes-
sion and I know whereof I speak
when I say:

"Labor here on the street, in the
shop, in the mine, yonder on the farm
in the forest, on the railroad, on the
ship—labor in the school room, in
the pulpit—labor of hand and brain,
manly and godlike labor—upon labor
rests the prosperity of our state, the
destiny of our nation, upon labor
rests the very civilization we enjoy."
"And cheap labor! We do not want
cheap labor, we want well-paid
labor. We want intelligent, patri-
otic, contented labor. We want no
antagonistic races; we want no hos-
tile classes; we want no aliens, in-
capable of Republican government."
"We want an intelligent, self-re-
specting, prosperous and loyal Ameri-
can citizenship which shall guide this
nation onward and upward and make
this Republic the grandest and great-
est brotherhood the world has ever
seen."

ARTHUR M. FREE IS GAINING
IN POPULARITY DAILY

Arthur M. Free, who is seeking the
Republican nomination for congress
in this district, is very popular and is
finding a response everywhere in the
district. Mr. Free is an able young
man and one who would do much for
the district. He is a forceful and
ready speaker. Should he receive

the nomination and his friends pre-
dict that he will, certainly, will
be elected at the November election.

One of Samuel M. Shortridge's op-
ponents will spend more for the Re-
publican nomination for Senator than
was spent to carry the state in the
late presidential primary election.
The expenditure of Senator Newberry
of Michigan, for which he was con-
victed, was a mere bagatelle to what
has partly been spent and will be
spent in the attempt to nominate one
of California's millionaires.

It tells of a value protection for you. We guarantee the clothes we sell and
when you buy clothes here you have an absolute assurance of full value—
if you're not satisfied, then we'll cheerfully refund your money.

The Best Suits at the Price

—and the men of this town should know it

\$47.00

The headline is a very positive statement—and it's true. These suits at \$47
are easily the best values in Palo Alto for many months; they were
tailored especially for our five stores by Hart Schaffner & Marx and
stand today as suit values we can enthusiastically boost, and men should
buy.

They're not ordinary \$47 suits, as suits are judged today. Their
real worth is much more, and if they were not bought in vast lots
for our five stores; we would have to price them much higher, too.
Many styles—singles and doubles, young fellow's models, conserva-
tive styles in natty plaid woollens, cassimeres, tweeds, and novelty
mixtures. (See them in our windows). \$47 is the price, and re-
member, we guarantee the value.

By Our Reporters

The attractive E. J. Pringle home
on the Middlefield road at Atherton
has been sold to H. B. Ainsworth,
vice president of the Wells Fargo
Nevada National Bank of San Fran-
cisco. Mr. Ainsworth is very wealthy
and contemplates many improve-
ments on the place. Mr. Pringle is
one of the best known attorneys of
San Francisco.

The Rothchild place known as the
Defenders' Club during the war and
recently owned by Mr. Smith has
been sold to Mr. Olsen, who has
occupied the Mrs. James Logan pal-
atial home for the past year.

Charles Brady, the contractor and
builder, is erecting an addition to
the Warren school on the highway to
accommodate the big enrollment of
students that will attend the school
this year.

Harry Dick has sold one of his
cottages in the Dominga tract to Mrs.
Meyers, whose husband is employed
at the base hospital.

Allison L. Hall, who has been mak-
ing his home here for the past six
months, has just returned from a
very enjoyable vacation spent in the
south.

Mrs. Rosenthal, who purchased the
Donley place on Santa Cruz avenue
last week, will occupy the home on
September 1. Mrs. Rosenthal con-
templates constructing a swimming
pond and making other improve-
ments. She is very wealthy, having
\$3,000,000 in her own right. Her
mother, Mrs. E. L. Malsbury, is re-
puted to be worth \$7,000,000.

Joseph Weeden, young son of Mr.
and Mrs. Charles Weeden, will enter
Santa Clara University next Thurs-
day for a full course. He is a gradu-
ate of St. Joseph's parochial school
and is a clever young man.

George Murray has been appointed
by Supervisor John MacLean a traf-
fic officer for this township. He will
be employed on Sundays only and
will have charge of the crossing at
Atherton avenue and state highway.
Congestion is so bad here that the
people living on the avenue find it
almost impossible to get on the high-
way on Sundays and holidays.

Mrs. W. H. Bush, nee Feeley, is up
from Los Angeles for a short stay
with her parents. Mrs. Bush is de-
lighted with her new home in the

dier at Camp Fremont, is a promi-
nent photographer, owning his own
studio in Los Angeles.

The Menlo team met defeat at the
hands of the Red Men at Palo Alto
last Sunday in a spirited game which
resulted in a score of 2 to 1 in fa-
vor of the Red Men. A hotly con-
tested game will take place tomor-
row on the community center dia-
mond between the American Legion
and the local team.

Frank Clothier and Robert Glynn,
who graduated from St. Joseph's pa-
rochial school last June, will enter
Santa Clara University when it opens
for the fall term next Thursday. They
are both bright young men who will
make good records at that well
known institution of learning.

John O'Farrell is at the Franklin
Hospital in San Francisco, where he
underwent a painful operation Thurs-
day of last week. Some months ago
he had the bone of his left hand
fractured. It was not properly set.
It was rebroken and reset at the ho-
spital last week. This was a very
painful operation. Mr. O'Farrell is
getting along nicely and will soon be
home.

On Monday 117 priests of the dioc-
ese assembled at St. Patrick's Sem-
inary for their annual retreat. They
will leave today and on Monday next
the assistant priests will hold their
retreat. Many former pastors of the
Church of the Nativity were here and
called upon their friends.

Two veterans of the late war died
at the base hospital last week. Vir-
gil E. Eilers, who was in the service
overseas with Company E, 309th am-
munition train, died Saturday, and
Earl Suggs, who was with the 162nd
depot brigade with the colored troops,
died on Thursday. His mother is a
native of Palo Alto.

Thomas J. Fitzpatrick is working
enthusiastically for Samuel M. Short-
ridge for senator. He is engaged in
putting up cards both here and in
San Francisco. He is the very best
boost Mr. Shortridge has in this
section. Mr. Fitzpatrick was for-
merly on Governor Gage's staff and
is an astute politician. Mr. Fitzpat-
rick declares that with Johnson and
Shortridge in the senate California
would be well represented, no other
state would have their equals.

George MacDonald, who is an ex-
pert printer, is here from Scotland
and is a guest of his brother-in-law,
